

## **Notice to Bidders Tender No.** **(PLL/IMP/LNGT02)**

Reference is made to the Bid Document for the above Tender and specifically to Section 3.2 (Requests for clarification and comments on the MSPA) thereof in the context of which the following is clarified:

- The reference to “30<sup>th</sup> November 2016, 1700 hours (PST)” appearing in Section 3.2 of the Bid Document is amended in line with the bidding timetable to read as “25<sup>th</sup> November 2016, 1700 hours (PST)”.
- Bidders who wish to submit queries/comments in respect of the subject Tender should do so in the form attached clearly indicating, where applicable, the relevant Bid Document together with the relevant paragraph, section or clause number of that document. Each query should be set out in a separate row and include the specific paragraph, clause or section number (where relevant). Where more than one query relates to a specific clause, section or paragraph, please set out each query in a separate row indicating the relevant reference number as many times as may be required.
